

2026 Gateway **Hollywood Glam** Qualifier Schedule

**1st session doors will open at 2:40pm. Due to the size of this meet, doors will open for each session no earlier than 20 min. prior to each open stretch time, to allow time for gymnasts and spectators of earlier sessions to exit before new sessions start. To help our meet run smoothly we ask for spectators to be limited to no more than 2-4 per family, as some of our session sizes are 80-100+ girls! We do our best to keep sessions running on time, however we do ask for your patience during large sessions. Thank you! Please note that seating will be limited. Please remember there is an admission fee of \$5/adult. (Children 5 & under are free) Thank you for your cooperation!*

**Also, please note, ages for this meet are gymnasts ages as of 2/14/25 (first date of Championships)*
